NEW YEAR

NEW EVENT

NEW SPONSOR  
Options

Last year, our golf tournament raised over \$20,000 for brain tumor research. Brain tumors are the most deadly of childhood cancers and the leading cause of cancer death in men under the age of 39.

This year, we hope to increase the amount donated to research as we are adding a gala in February with silent auction and raffle to our Annual golf tournament, auction and awards dinner for 2009, thereby giving sponsors greater reach and visibility. We need constant support from local businesses to make this a success, so we may see new and successful treatment options for this horrific disease.

We have gotten remarkable press from local papers, including news articles, two page pictorial spreads and advertisements featuring corporate names and logos. The event is growing and word of mouth is also spreading. Those organizations involved in donating are being "touted" by the hundreds of attendees each year.

***Please consider sponsoring this year's event. If you cannot make a cash donation, please consider an "in kind" donation for our raffle or auction. It is an incredible help. The auction alone raised over \$8,000 for research last year. We are a 501 (c) (3) not for profit charity, so all donations are tax deductible to the fullest extent of IRS tax law. Receipts and thank you package will be provided.***

I would be thrilled to help promote your establishment. If you would like to include a coupon or advertisement in the attendee's gift bags, I would be happy to include those as well. (There are 144 golfers, and over 250 diners for golf and another 200 attendees for the new Monte Carlo Gala) Any support you can lend will make a difference in the war against brain tumors and together we will find the cure. People (and children) in our area are depending on us to keep up this fight!

Thank you for your tremendous support! If you can donate an item for our silent auction or raffle, please mail by Feb 1, 2009 to:
